NEXUS MANAGEMENT PLC
('Nexus Management' or 'the Company')

NERD FORCE® LAUNCHES 15 NEW TERRITORIES IN NEW YORK STATE AND CONNECTICUT

Nerd Force® Franchise Company ('NFFC'), the wholly owned subsidiary of Nexus Management, is delighted to announce the launch of 15 new franchise territories on the East Coast of the USA, in the states of New York and Connecticut, servicing in particular, the Westchester, Stamford and the Bronx areas. This further consolidates Nerd Force®'s presence on the East Coast bringing the total franchise territories sold this year to 46 in the USA, of which 16 are already operational.

Boris Adlam, the NFFC President said, "We are delighted to increase the Nerd Force presence in New York State and Connecticut with specific assistance being provided by Elie Saliba. Elie is an experienced franchisee who brings many years of business acumen to NFFC gained in as diverse areas as technology and the fashion industry. Nerd Force® is now well represented in all metropolitan boroughs of New York City and we aim to become the IT provider of choice for all small businesses in the city."

Elie Saliba commented, "It is exciting to be starting up a new business venture, even in the current economic environment. From my detailed analysis of the business it is clear to me that that the more competitive Nerd Force IT solution is enticing for businesses at a time when cost control is paramount."

About Nerd Force®

Nerd Force® (www.nerdforce.com) is a fast growing mobile computer and technology support franchise, which services individuals and businesses, both on site and remotely with branded IT managed services. Originally started in New York, Nerd Force® is spreading across the United States with a total of 46 territories allocated there and in excess of 100 territories allocated in Europe and the ambition to expand the brand throughout the rest of the world. Its parent, Nexus Management plc, a specialist Managed Serviced Provider, is listed on the London stock exchange. The Company is now looking for highly driven, motivated and passionate individuals to build a great future with it.

About Nexus Management plc

Nexus Management is a growing specialist IT Managed Services Provider. Nexus has two key markets: the UK and the US, where it can offer its customers 24 hour support. Nexus specialises in Remote Server Management, Disaster Recovery, Data Storage, Help-Desk, Desktop Support and Wide Area Network Management and Monitoring - providing Enterprise calibre technical support.

Nexus is quoted on AIM, a market of the London Stock Exchange. For further information on the Company, please visit www.nexusmgmt.com
