

About Nexus Management plc

Nexus Management (www.nexusmgmt.com) is an IT Managed Services Provider specializing in reducing the cost and complexity of IT for companies. Nexus has two key markets: Europe and the US, where it can offer customers 24 hour support. Nexus provides Remote Server Management, Wide Area Network Management and Monitoring, Disaster Recovery, Data Storage, Help-Desk, Desktop Support, and through its new subsidiary **Resilience Technology Corporation** (www.resilience.com), bullet-proof network security.

Nexus is quoted on AIM, a market of the London Stock Exchange. For further information on the Company, please visit www.nexusmgmt.com

About Nerd Force®

Nerd Force® (www.nerdforce.com) is a fast growing mobile computer and technology support franchise, which services individuals and businesses, both on site and remotely with branded IT managed services. Originally started in New York, **Nerd Force®** is spreading across the United States and Europe and has the ambition to expand the brand throughout the rest of the world. Its parent, **Nexus Management plc**, a specialist Managed Serviced Provider, is listed on the London stock exchange. The Company is now looking for highly driven, motivated and passionate individuals to build a great future with it.

About Resilience

Since 1995, Resilience (www.resilience.com) has delivered network security appliances with the most advanced operating system. RES/OS boasts such features as open systems flexibility and life cycle management innovations for mission-critical applications. Resilience's high performance solutions are designed for network environments where availability is essential and security must not be compromised.
